

Until further notice, field offices will monitor collegiate, New Left and "underground press" coverage of college and university campuses in their jurisdiction. Information pertaining to militants and activists, their identities and organizational affiliations, their leaflets and propaganda materials, etc., will be forwarded to Headquarters on a regular basis no less than once weekly. Particularly desired are indications of the effectiveness of the militants and their ability to mobilize students of only passive or curiosity-seeking interests. Headquarters is interested in all areas of student militant dissent, both local "causes" and those related ~~to the~~ to national and international problems.

Although you should conduct no campus interviews on the matter at this time, a requirement for such interviews of confidential sources may be anticipated and the collection effort above should be utilized to gain intimate familiarity with the names of persons, organizations involved, and the effectiveness of the activities for use by the investigator in ~~conducting~~ ~~the~~ conducting the anticipated interviews.
